## ***Outcomes:***

The Fall Guys Gaming Event in Lab 207 had several positive outcomes:

- 1. Team Building:** Participants had the opportunity to build stronger relationships with their colleagues, fostering a sense of teamwork and unity even in the gaming world.
- 2. Positive Energy:** The event injected a wave of positivity and gaming camaraderie into the lab, relieving stress and promoting a fun working atmosphere.
- 3. Networking:** The event facilitated interaction between lab members and their friends and family, creating a sense of community in both the physical and virtual worlds.

## ***Conclusion:***

The Fall Guys Gaming Event in Lab 207 was an outstanding two-day gaming event filled with fun, competition and camaraderie in the virtual world. It achieved its objectives of promoting teamwork, providing a break from the routine work environment and uniting lab members through the medium of video gaming. The event was well-organized, well-attended and left participants eagerly awaiting future gaming events.
