MISSION

- Providing guidance and training to students to develop better learning skills and personality.
- Providing quality training programmes to teachers and administrators
- Assist and contribute in the production and development of top quality professional engineers
and technicians

ABOUT THE ISTE

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. At present, ISTE has a very large and an effective membership base consisting of more than 1,28,500 Life Members, 5,35,000 Student Members, 2,740 Institutional Members (including IITs, IISc., NITs and other leading technical institutions), 1,414 Faculty Chapters and 1,505 Students Chapters and 19 Sections throughout the country.

The major objective of the ISTE is to provide quality training programmes to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity and to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organisations.
